**BLOUBERG D9350:** One-to-One, held at the Good Hope Centre in Cape Town, is an annual event where approximately 3 000 mentally and physically disabled children and adults are escorted around for a day of fun and amusement. Different welfare organisations, including B'nai B'rith, Lions, Round Table, different religious groups and of course Rotary, combine to fill the floor space with stalls providing games and awarding prizes to all the participants. The club set up a stall with a ball game and gave out sweets as prizes. Interact Clubs from Table View High School and Parklands College helped the Rotarians run the stall.

**NORTHCLIFF D9400:** The Interactors of Northcliff High School inducted their new president Byron Ter Morshuizen. Pictured: Outgoing president Heleen Hofmeyr hands the chain of office to incoming President Byron Ter Morshuizen. As part of one of the club's projects, the Interactors recently set off for Zandspruit to help the entrants of a community based church organisation's first talent show. The show started with an impressive performance by Northcliff High School's choral group and was followed by a cultural dance performance. Assisted by the Rotary Club of Northcliff, the Interactors sponsored a jumping castle and three face-painting stations.
