*This week's Foundation Thought is about Supporting the Foundation.* Your life and mine will be valued not by what we take, but by what we give.' What an appropriate quote for us Rotarians to live by and open our hearts and pocketbooks to support the works of The Rotary Foundation. Having a healthy foundation is the key to any nonprofit organization involved in the business of service to others, and Rotary is certainly that! We are in the business of giving – giving of our time, our resources, our knowledge, and our love – to make this world free of disease, hunger, poverty, and hopelessness.- District Governor Deepa Willingham
