This week's Foundation Thought is about Giving to the Foundation. —Some think that there is competition in Rotary between supporting local projects and giving to The Rotary Foundation. In fact, the more we emphasize what Rotary does for people through The Rotary Foundation, the more it increases our overall spirit of giving. When a club emphasizes giving to The Rotary Foundation, most often the club will discover increases in giving to local scholarship foundations, contributions to local community service, and greater participation in local hands-on projects because a club that gets into the habit of giving will give more to all causes.— Rotarian Ronn Kerr

10th August 2011

The NRC leadership will be preparing for the meeting with the DG next week. We hope that both Vaughan and Pat have a speedy recovery.

DG's Newsletter July 2011:

The Theme of 2010/11 "**Building Communities, Bridging Continents**" could not have been more appropriate to the new District 9400 and we salute Francis and Janet Callard for having achieved just that. They certainly managed to **build our Rotary Community** and they **bridged our Districts** in a credible, efficient and laudable manner.

INTERACT CORNER

Interact had a workshop at Vuleka Primary School helping to set up the library. The NHSIC is getting ready for the Firlands Fete, collecting cakes and will then be helping at the stalls on the day.
