This week's Foundation Thought is about Polio. I was a Rotarian for many years and never contributed to The Rotary Foundation, because nobody ever asked me. Then one year, our club president made a plea for support for PolioPlus. Since my generation was hit hard by polio, I made a commitment to contribute every month. By the end of the year, it had become a habit to contribute each month, just like paying rent. That habit continues today, many years later, and each year I become more aware of how much good the Foundation does. — Rotarian Dave Berry

THE SANDTARIAN

ROTARY CLUB OF SANDTON

WHEELCHAIRS: As you know the Rotary Clubs of Rushmoor (UK) and Northcliff have been involved with collection, shipment and distribution of wheelchairs for many years – over 20 000 have been distributed. Regularly we receive calls for wheelchairs and, at a nominal cost, we have collected from them.

On Monday 8th we got the call from 702's John Robbie who had received a call from a listener who had stopped to assist a distressed lady with a pick-up on the side of a road. In the "bakkie" was a lady who was hysterical as, at the intersection, some opportunists had stolen her wheelchair off the back of the "bakkie". Amputee Stella Venter from Steytlerville in the Karoo was visiting her daughter in Blue Hills. On Wednesday morning we arranged that Chris Watcham presented her with a wheelchair. So once again Rotary, in our little way, makes the world a better place for someone.
