MAKING UP?

<http://www.rotary.org/en/AboutUs/SiteTools/ClubLocator>

This week's Foundation Thought is about what The Rotary Foundation has done for us! Nothing!" I hear the cry go out. Nothing... Apart of course from initiating and spearheading the **eradication of Polio** – since 1985 Rotary's contributions of over US\$900 million and invaluable hands-on service have helped reduce the annual number of new cases by 99.5%. Apart of course from offering clubs the opportunity to undertake significant international humanitarian projects through matched funding – since 1965 over **33,000 Matching Grant** projects have been carried out in 201 countries. Apart of course from sponsoring the largest international scholarship programme in the world – since 1947, over **40,000 Ambassadorial Scholars** from 130 countries have participated. Apart of course from Group Study Exchange where non-Rotarian professionals are given the opportunity to experience the vocational, educational and cultural aspects of another country – since 1965, over **69,000 individuals** from 104 countries have benefited.
