### ***This week's Foundation Thought is about World Polio Day, 23 October and Alumni.***

Former Ambassadorial Scholar Alex Buchanan says that knowing he has helped nourish millions of children in developing countries gives him a pretty good feeling. A food technologist and member of the Rotary Club of Melbourne, Australia, the 75-year-old Buchanan created the high-protein Australian milk biscuit and the high-energy biscuit, which are staples of his country's international food aid. For this and many other accomplishments, The Rotary Foundation presented Buchanan with the Global Alumni Service to Humanity Award.

**INTERACT CORNER:** Northcliff High School IC President Byron will be giving a report back tonight to the Rotary Club on the RYLA Camp held in August. NHSIC had a successful HeARTS evening last Friday evening.

12<sup>th</sup> October 2011

### **Poppy Day**

**11-11-11** The South African Legion wishes to create awareness for the Poppy and the Remembrance of our Fallen by presenting the Poppy Day 11-11-11 Concert featuring National Ceremonial Band, SA Irish and Transvaal Scottish Pipes and Drums, Welsh Male Voice Choir, the BATS, Code Red Drum Corps, Annabel Linder and Alet de Wet. There is also a sing a long with popular songs that we all remember.

### **STOP PRESS:**

**1: Wishing Vaughan well on a festive 70 th Birthday on Saturday!**

**2 Speaker 16th November: Mandy Ramsden** in May 2010 became the second South African woman to summit Everest; and the first African-born woman to climb all seven of the World's highest mountains on each continent. It took this mother of four, with a successful career in investment banking, only five years to knock off the seven mountains, starting with Kilimanjaro in 2006.
