MAKING UP?

<http://www.rotary.org/en/AboutUs/SiteTools/ClubLocator>

This week's Foundation Thought is about Ambassadorial Scholarships. A former Ambassadorial Scholar at the University of North Carolina in the United States, Rinko Kinoshita is using the public health degree she earned with Rotary's help to aid people in the Democratic Republic of the Congo, where more than 250,000 people were displaced when violence flared between rebel fighters and government forces. Kinoshita says that without Rotary, she would not be where she is today — working with UNICEF .
