This week's Foundation Thought is about New Generations Month :

In September, celebrate New Generations Month by focusing on youth issues. Take on projects that benefit youth and young adults in your communities and around the world. When planning activities this month, consider these questions: Can your Interact Cub collaborate more closely with its sponsor Rotary club through a joint meeting, service project, or fundraising event? What types of special recognition, awards, and opportunities are available to Interactors and the Rotarians who support them? Mark World Polio Day on 24 October by promoting polio eradication, organizing fundraisers, and engaging other youth in this campaign. Team up with other Interact clubs, Rotaract clubs, and Rotary clubs to maximize the impact of your World Polio Day event.

INTERACT CORNER: RYLA emphasizes leadership, citizenship and personal growth and Rotary's concern for youth.
