This week's Rotary Thought is about

Water and sanitation. Every day, 5,000 children under age five die from unsafe water and poor sanitation and hygiene. Past RI President William B. Boyd says: —It is true that water is life, and it is also sadly true that too many people have no access to clean, safe, drinkable water. Rotary has the expertise and the worldwide membership to save lives by providing potable water on a large scale.

Wine: Rotarians are reminded to bring their donations of wine for the Swindle. We would hate to have a dry Swindle!

Bulletin: Please provide input to the NRC Bulletin - Short report and photos of the evening speaker, Key dates for the diary, interesting Rotary Clips or Snippets, or more details from a NRC Rotary Spot.

Apologies: Please email pwestcott99@gmail.com before **24h00 on Monday** evening prior to the meeting.

Public Relations: Please contact Annemarie with any articles and photos that you have taken to promote Rotary and the NRC in the Community, and to keep our new Website up to date!
