This week's Rotary Thought is about

Foundation programs. —One day we will awaken to a world where every mother will be able to write her child's name and that child will be able to grow up to write his or her own name. The world will be free of polio; every human being in the world will be able to reach out and drink a clean, clear, glass of water without fear of disease or contamination; we will all breathe-in the fresh, clean air of a world of peace. This can all be accomplished through the programs of The Rotary Foundation. But we must all give something, any amount, to The Rotary Foundation.
