Some Rotarians have had the privilege of working with polio survivors to support PolioPlus, and what an inspiration those survivors can be! Clearly, no one understands the need to eradicate polio better than those who struggled with the disease. They challenge us to achieve that final 1 percent and complete this eradication goal, this task of epic proportions. The final stages of eradication will be difficult and when considering a worldwide challenge, the numbers can sometimes be overwhelming. Perhaps it would help to think of it this way: Because you and I prevented polio, somewhere in the world a healthy child is happily playing in the sun. On behalf of all those children, thank you!!! — Rotarian Terry Toone
