## Vocational Service

Under The Rotary Foundation's new grant model, vocational training teams (VTTs) allow Rotarians to share their professional skills with people in another part of the world, using their talents to make a lasting impact. VTTs embody the spirit of vocational service which has deep roots in Rotary's history. A vocational training team (VTT) is a group of professionals who travel to another country either to learn more about their profession or to teach local professionals about a particular field. Under Future Vision, Rotary Foundation district, global, and packaged grants all support VTTs .
