Rotary's areas of focus -The needs spanning Rotary's six areas of focus are vast. Rotary clubs serve communities around the world, each with unique concerns and needs. Rotarians have continually adapted and improved the way they respond to those needs. Most successful and sustainable Rotary service falls within one of the following six areas:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development
