Rotary International President Gary C.K. Huang is urging the humanitarian organization's 1.2 million members worldwide to assist the victims of earthquake-ravaged Nepal in any way possible, including contributing to ShelterBox, the international disaster response charity that is Rotary's project partner for disaster relief. "Rotary members worldwide stand together in expressing a profound sadness at the devastation resulting from this weekend's deadly earthquake in Nepal," said Huang. "As we mourn the thousands of lives lost, Rotary joins other international agencies in providing immediate relief to survivors through our partnership with ShelterBox and mobilizing our expertise to support long-term recovery and rebuilding efforts throughout the country." A donation of approximately US\$1000 will allow ShelterBox to deliver emergency shelter and other lifesaving equipment to a family that has lost everything following a disaster.
