WHEELCHAIRS

As you know the **Rotary Clubs of Rushmoor (UK) and Northcliff** have been involved with collection, shipment and distribution of wheelchairs for many years – over 20 000 have been distributed.

Regularly we receive calls for wheelchairs and, at a nominal cost, we have collected from them. Radio 702 have us listed and whenever they receive a call for help in this respect, we get called upon.

On Monday 8th we got the call from **702's John Robbie** who had received a call from a listener who had stopped to assist a distressed lady with a pick-up on the side of a road. In the "bakkie" was a lady who was hysterical as, at the intersection, some opportunists had stolen her wheelchair off the back of the "bakkie". Amputee **Stella Venter** (from Steytleville in the Karoo) was visiting her daughter in Blue Hills.

On Wednesday morning we arranged that **Chris Watcham** presented her with a wheelchair. So once again Rotary, in our little way, makes the world a better place for someone.
