MAKING UP?

This week's Foundation Thought is about Foundation Grants:

Nueva Esperanza is a sustainable community in Honduras created for families devastated by a Hurricane. The community was established with the help of a US\$445,000 Rotary Foundation grant. The project provided eye and dental care, medicines, medical equipment, books, computers, and other benefits to the community. The effort also enabled women to receive microcredit loans to help generate income, such as a handmade paper business.

INTERACT CORNER:

The NHS Interact Club President Byron was chosen as Deputy Head Boy and also received a White Blazer - Congratulations!

SERVICE ABOVE SELF:

On Friday the 25th November, Margaret and Norman MacLeod went to the Sofia Town Police Station to hand over goodie bags for the children at the Rahima Moosa Mother and Child Hospital. The Ann's had purchased sweets, crisps, juice, colouring-in books and crayons and together with a donation of Teddy Bears, had filled 50 bags. They left for the hospital with about 8 policemen and women. Soft toys were handed out to the babies and the goodie bags to the older children. The children's smiles and delight will never be forgotten and an hour was spent visiting. 37 Comfort bags were also handed over to the Victim Support Group at the Sofia Town Police Station, of which they in dire need of. Some of the babies that arrive have no bottles, nappies and even clothing. The coordinator of the centre, Elaine Kramer, thanked the Margaret and Norman and the Ann's for their support. The Rotary motto of Service above Self, certainly applies to Margaret and Norman.
