This week's Foundation Thought is about Leaving your legacy through The Rotary Foundation.

The Rotary Foundation has helped touch lives all over the world by putting polio drops in mouths of children, digging wells so clean water is available for drinking and bathing, providing education opportunities, and much more. By becoming a member of the Bequest Society, you can help ensure that important projects like these continue in the future. If the projects and programs that Rotary completes today are important to you, then please become a Bequest Society member so that Rotary is secure for tomorrow. - Rotarian Jean Waltke
