This week's Foundation Thought is about Every Rotarian, Every Year. The Rotary Foundation enables our clubs and districts to multiply their service efforts many times over. This effect is increasing as the Foundation's humanitarian grant projects become larger in scale to profoundly improve the lives of more people. We can help Make Dreams Real for children and their families today by giving at least US\$100 to the Annual Programs Fund through the Every Rotarian, Every Year initiative. And we can help ensure their needs will be met tomorrow by building a strong endowment through contributions to the Permanent Fund.
2003-04 RI President Jonathan Maiivaabe .

Your contribution to *Every Rotarian, Every Year* helps make projects such as this possible.

In May 2010, our guest speaker Mandy Ramsden became the second South African woman to summit Everest; and the first African-born woman to climb all seven of the World's highest mountains on each continent. It took this mother of four, with a successful career in investment banking, only five years to knock off the seven mountains, starting with Kilimanjaro in 2006.
