This week's Foundation Thought is about Leaving your Legacy through The Rotary Foundation. The Rotary Foundation has helped touch lives all over the world by putting polio drops in mouths of children, digging wells so clean water is available for drinking and bathing, providing education opportunities, and much more. By becoming a member of the Bequest Society, you can help ensure that important projects like these continue in the future. If the projects and programs that Rotary completes today are important to you, then please become a Bequest Society member so that Rotary is secure for tomorrow.— Rotarian Jean Waltke

NEWS & EVENTS

Freewheeling Loadout: A cheerful crowd gathered on a bright morning on Saturday 19th November to undertake the third and final load out of the year, taking the total number of Wheelchairs sent to South Africa to over 23,000 over the life of this long running Project. The flow of Wheelchairs has slowed recently, and we are talking to other Rotary Clubs, and potential Sponsors, to explore ways of re-invigorating the flow. Watch this space.... However, the Club still has a substantial and continuing commitment to the Project, and there is always a need for members to volunteer their time and effort when needed.

STOP PRESS:

For our Christmas Dinner on Wednesday 7 December 2011 we wish to provide gifts to the residents of **Huis Hoefeld of Albertsville**, many of whom will receive no gifts or visitors over the Festive Season. Members are asked to please donate small gifts, perhaps 3 or 4 small items, as there are 112 residents, the vast majority being female. A jar of face cream, sweets, handkerchiefs etc. will be most welcome. Alternatively please donate cash and then gifts will then be purchased on your behalf.

Please bring donations to the weekly meeting on 30 November.

INTERACT CORNER:

The NHS Interact Club members are preparing for their end of year exams so there is no activity at the moment.
