MAKING UP?

This week's Foundation Thought is about Future Vision —

You can view the glass as half full or half empty on the topic of Future Vision. However, as we have worked through the steps needed to qualify our clubs and district, smaller clubs have begun to embrace the process and actively seek ways to work with other clubs, both within and outside our district, to create larger, more sustainable projects. Thousands upon thousands of people can be positively impacted by such projects and then we can truly claim that we are living up to our mission of Doing Good in the World. I challenge Rotarians to think big about the Future Vision Plan. — Rotarian Cecelia Babkirk
