**January 2013 - R I President Tanaka**

Dear fellow Rotarians,

I am a Japanese businessman, and I wear a suit almost every day. The Rotary pin is always on my lapel. It is there because I am proud to be a Rotarian. Anywhere I go, people will see the pin and know who I am. Other Rotarians will see it and know that I am a friend, and people who are not Rotarians will see it as well. I want to be sure that all of them also understand the meaning of this pin. This is why I am asking all of you to wear your Rotary pin and to raise awareness of what the pin means. I believe having that pin on your lapel changes you. It makes you think more before you speak and before you act. It makes you remember, all the time, that you are a Rotarian – and that as Rotarians, we are here to help.
