Dear Rotarians of South Africa

Marion Bunch, Mark Doyle and I would like to express our sincere thank you to you all (through your wonderful respective Steering Committee Heads) for the extraordinary work that has been done over the last few months, culminating in the roll out of the first Rotary Family Health Days in South Africa.

We have heard the most inspiring stories and testimonials over the last three days from all over the country from the 169 sites managed by yourselves to make this campaign the most phenomenal success.

Conservatively, it is estimated that over 32 000 people were reached on just Day 1!
