## THE ROTARY FOUNDATION

JOHN KENNY (TRUSTEE CHAIR 2014-15) MARCH 2015

Now that the first year of the new grant model has been completed, it's time to see how it's working. One of the most positive outcomes is that more clubs and districts have banded together to implement larger, more sustainable projects. Our Rotary Foundation funded 488 district grants worth a total of \$23.5 million and 868 global grants worth \$47.3 million.

## DISTRICT GRANTS

District grants fund smaller, short-term activities that address needs in your community and communities worldwide. Each Rotary district gets to choose which projects it will fund with these grants..

## GLOBAL GRANTS

Global grants support large international activities that have sustainable, measurable outcomes in one or more of our areas of focus. Rotarians create their own projects and carry them out.
